

You'll Get Through This - Week 2 Down and Out But Never Alone

September 21/22

We can know God is with us no matter what by finding *glimpses of him*, and **choosing** to seek him.

Our hope grows when we fix our eyes on **Jesus**.

No matter how tough our situation is God wants us to talk with him throughout, in **relentless** prayer.

Feeling alone? Join the family, the body of Christ. His people are waiting to minister to you.
