

You'll Get Through This – Week 4 Is God Good When Life Isn't?

October 5/6

Can I believe God is sovereign (on the throne and in charge) when things happen that make no sense to me?

Can I be confident that God is not the author of evil even when the story of evil seems to go on, and on, and on?

Can I be confident that God is good even when things happen around me that I would not permit if I was in charge?

Can I live with assurance that God can bring good out of things that seem hopeless from where I stand?

Will I hold on to my faith and run toward Jesus even when the pain and sorrow of this life try to drive me away from God?

Key Passages: Genesis 45 & 50; Romans 11:33-36; James 1:13-15; 1 John 4:7-10; 2 Corinthians 4:16-18.
