

Shoreline Community Church
Deeper - Week 3
Deeper Into God's Presence (Worship)
(August 30 & 31)

1) We go deeper Into God's Presence...when we make worship a [lifestyle](#) rather than an occasional [break](#) in the flow of our week.

Deeper Challenge: Fun With Worship

Identify three or four places you don't normally think of worshipping and have fun exploring how you can meet and glorify God in these places as a part of your lifestyle.

2) We go deeper Into God's Presence...when we make a decision to worship with [God's people](#) on a [weekly](#) basis.

Deeper Challenge: A Weekly Rhythm

Commit to gather with God's people for worship every week for two months...make sure nothing gets in the way! (Monday night service / other churches / Online community as a last resort)

3) We go deeper Into God's Presence...when we are open to [experience](#) the presence, power, and work of the [Holy Spirit](#).

Deeper Challenge: Simple Invitation

Each time you gather with God's people for a time of corporate worship, invite the Holy Spirit of the Living God to move in you, to teach, convict, challenge, and fill you!

4) We go deeper Into God's Presence...when we not [only show](#) up to a worship service, but [fully engage](#) in each part of the worship experience with [authentic](#) hearts of praise!

- **Before** (prepare yourself)
- **Fellowship** (connect with the people around you)
- **Singing** (with passion from your heart)
- **Prayers** (joining in not just listening...Amen!)
- **Giving** (joyful generosity...for God's glory)
- **Preaching** (open and responsive)
- **After** (Keep living in God's presence)

Deeper Challenge: Engage At a Whole New Level

Identify one or two parts of a worship service that you don't fully engage in and pick a specific way you can engage in worship with a more authentic heart.
