

**Deeper - Week 4**  
**What if every person embraced and supported God's Vision for Shoreline?**  
**(September 7 & 8)**

What Might God Do Through Shoreline?

Remember, the church is simply God's people gathered... what if we lived this vision together **and** as individuals each day of our lives?

If we embraced and lived out this mission...

1) More and more people who are far from God (who God loves and who we love) would be radically transformed by the saving grace of Jesus and become part of His forever family of faith.

**How Can I Engage in This World-Changing Mission?**

- ***Shoreline Community Church***- Pray, serve, give, and fully engage as God opens doors for local, national, and international impact.
- ***Personal*** - Get trained and equipped to share faith naturally.
- ***Family*** - Reach your own family with the gospel.
- ***Home*** - Make the place you live a lighthouse.

If we embraced and lived out this mission...

2) More and more people would be growing in faith and experiencing transformation on every level and this would change lives, homes, neighborhoods, communities, nations, and the world... It is called revival!

**How Can I Engage in This World-Changing Mission?**

- ***Walk with Jesus...step by step!*** Daily growth in spiritual maturity.
- ***Help others grow in their faith*** - Take a hand and help someone forward...discipleship (formally or in the flow of your daily life).
- ***Live it out*** - Be organically open about your faith and the difference Jesus has made in your life.
- ***Take action***- Be an agent of change right where Jesus has placed you (with gentle and prayerful wisdom).

If we embraced and lived out this mission...

3) More and more people would worship God the Father, lift up Jesus His only Son, and live in the presence of the Holy Spirit...with joyful passion!

**How Can I Engage in This World-Changing Mission?**

- Engage fully and passionately in worship when you gather with God's people.
- Let the joy of Jesus shine through you everywhere you go.
- Invite people to a place where they will see, experience, and encounter the living and risen Jesus!
