Memorize/Reflect:

"The words of the reckless pierce like swords, but the tongue of the wise brings healing." (Proverbs 12:18)

Prayer Direction: Ask God to help you notice when your words are becoming harsh and cutting. Confess where you have hurt others with your words. Ask for power to bless and heal people with words filled with grace and kindness.

"Live It!" Challenge - Surprise Blessing: Identify one person in your life that you have not been consistent about encouraging. Make a commitment to share words of encouragement, blessing, and affirmation at least twice in the coming week...and follow through on doing this.
