

I Am I Am the Good Shepherd

Our Good Shepherd... The I Am (John 10:3-15)

- Calls His sheep by name... He knows us (personally)
- We can enter a real relationship with Him
- Speaks in ways that we can hear and understand... He communicates with us
- We can recognize His voice and follow His directions, leading, will
- Is both the shepherd and the gate... He is the way to salvation and heaven
- When we come to Him and through Him, we can be saved for eternity
- Comes to give us full, abundant, and rich life
- We can find all we long for by following the Good Shepherd
- Offers his life for His sheep... He has paid the price for our salvation
- We can come to the cross and accept the way Jesus has made for salvation and be freed from sin, death, and judgment
