

Take It Up a Notch Murder is More than Killing Someone

Will you dare to ask God to spice up your spiritual life?

The main dish... “Don’t Murder”

Take It Up A Notch! Anger hidden in your heart, and poisoning your soul, is also deadly...

Take It Up Another Notch! An attitude of contempt born of pride has power to devastate and destroy!

Take It Up Even One More Notch! Attitudes and behaviors that shame, belittle, and mock non-believers who are slaves to sin and morally corrupt is a serious offence in the eyes of God.

Big Lesson From Jesus:

- Unresolved anger and brokenness in our relationships can and will impact our relationship with God!
- Time is of the essence! Don't wait to seek restoration. Do your part as soon as you possibly can.
