

Take It Up a Notch How to Move From Hatred to Love

The Main Dish... Love your neighbors

What does it mean to love my enemies?

How should I pray for those who persecute me?

What does it mean to be a child of God?

We look more like Him with passing time! Have you noticed that kids can look like their parents over time (for better or for worse)...

What is our Father like? He showers grace and mercy freely and shines His presence on all people! Everyone is welcome, loved, and invited (sadly, not all come).

We take it up a notch when we become who God has designed and purposed us to be (“perfect”) and grow into maturity in Christ.
