

Called to Dream

God's Dream to Transform the World

1. God's call/dream is often very specific.
2. His call/dream is always very beautiful.
3. His call/dream always stretches us beyond ourselves to where we must pray.
4. His call/dream will cost us something...sometimes everything!
5. His call/dream is too big for us to accomplish alone. We must work and serve in community!
