Getting a Grip on Your Finances

The Bible has a lot to say about money.

There are 500 plus verses about [prayer](#) and [faith](#) in the New Testament, there are over 2000 verses dealing with money!

More is said about money in the New Testament than is said about [heaven](#) and [hell](#) combined.

Money can crowd out God, even though it's incapable of [saving us](#) from sin or satisfying the deep hunger of our souls for true peace, meaning and purpose!

Money can easily strip away [freedom](#) and bring [grief](#).

Step one - Pray and [choose](#) whom you're going to serve.

Step two - Tell yourselves the [truth](#).

Step three - Have straight conversations with those involved.

Step four - Lay out the [facts](#) on paper.

Step five - Design the [plan](#). This is critical.
