

# Heaven

## Week 2

### Heaven Is Community

1. In heaven we will be fully and uniquely ourselves as God intended and desired, untainted by sin!
2. In heaven we will be saturated and surprised with the presence, power, and perfection of God's glory...over, and over, and over again!
3. In heaven we will enjoy perfected and growing intimacy with all of God's people...and what fun this will be!
4. In heaven we will be fully "At Home" in all places and circumstances and in every relationship, because every relationship will be saturated with the presence of God.
5. In heaven we will have perfected and growing intimacy with God, the Father, the Son, and the Holy Spirit.
