

Heaven

Week 4

Heaven Is Costly

- 1) Heaven was a massive sacrifice for God...the life of His only Son!
- 2) Heaven costs us everything... our life laid down for the Son!
- 3) Heaven is worth everything... more than we can imagine or dream.

How Should We Live?

Live with an awareness that you are not home yet... **and** don't treat this world like it is your final destination.

Anticipate the party, feast, celebration, glory that awaits you... **and** invite someone to come along.

Long for deep community with God and His people...**and** practice biblical community now.

Live in the hope of the resurrection... **and** receive the risen Lord Jesus Christ if you never have.
