

**Heaven
Week 1
Heaven Is More Than You Dream**

1. We will be embodied people who are perfected, but still ourselves!

2. The new heaven and earth will be more glorious, beautiful, and real than we can dream or imagine.

3. Our senses will all be intact, but even more sensitive and responsive.

4. We will continue to learn, grow spiritually, and find wonder and delight and all of God's glory, creativity, and beauty.

5. Our relationships with people and with God will be dynamic beyond explanation and joy-filled beyond imagination.
