

Major Lessons from the Minor Prophets

Week 4

Judgment is a Gift...When We Repent

Major Lessons from Joel

1. God is holy and He will judge...and you do not want to fall under the crashing wave of God's just judgment!
2. Look honestly at your sin, name it, and let it break your heart the way it breaks the heart of God.
3. True repentance leads to healing, blessing, hope, and a new future.

What Would the Prophet Say To You?

Respond to the warnings of God's judgment!

Treat sin like your greatest enemy and just judgment like a friend!

Make repentance a reflexive response to sin, before judgment comes.

God longs to restore and heal you, the question is, will you seek it (with actions and with your heart)?
