

Church...Why Bother?

Week 2

Because I Was Created for Community

I Need the Community of God's Family Because...

1. In the depth of my soul, I know I was created for community.
2. This is where I am loved and learn to extend love.
3. We are safer together!
4. Anywhere I travel, all over the planet, God's people are there!
5. I need to be reminded that my beliefs and convictions are not "strange" or "crazy."
6. I need to keep learning that we can be united in diversity and unified without uniformity.
7. I need regular examples of what it looks like to live for Jesus in a world that presents a radically different picture of "normal."
