

# Major Lessons from Minor Prophets

## Week 2

### What Goes Around, Comes Around Beware of Pride

#### Major Lessons from Obadiah

1. We reap what we sow.
2. Our hearts will deceive us when we push God out.
3. If we reject pride and embrace humility, God is merciful and restores us.

#### What Would Obadiah the Prophet Say to You?

Honestly look at yourself to see where pride might have come in and set up residence.

Be willing to humble yourself, grow, and change: your destiny in Him is before you!

Trust that when you submit to the Lord's guidance and plan for your life, you will sense his holy touch on all you do.

Remain vigilant and alert.
