

Praying with Eyes Wide Open

Week 1

Praying with *Eyes Wide Open*

The best time to pray is right now!

The Bible never commands us to pray with our eyes closed.

Many people in the Bible prayed with eyes wide open.

Five ways to start praying with eyes wide open:

1. When you see something beautiful
2. When you are feeling thankful
3. When conflict and tension arrive
4. When a friend shares a story of pain, loss, or struggle
5. When you drive or walk by a church

Key Passages: Genesis 24; Nehemiah 2; John 17; Exodus 3
