

Praying with Eyes Wide Open

Week 2

Praying with *Ears* Wide Open

The issue is not, is God speaking? The real question is, are you listening?

God speaks in many ways, we need to learn to listen, notice, and respond!

- The Bible (God's Spirit-breathed Word)
- People (of all sorts)
- Circumstances (open and closed doors)
- Surprising supernatural ways (dreams, visions, and more)

Some simple guidelines:

- Sit quietly
- Identify the source
- Use the Scripture test
- Spiritual peace
- Submit and obey

Key Passages: Psalm 143; Genesis 2; John 10
