Memorize/Reflect: *God blessed them and said to them, "Be fruitful and increase in number; fill the earth and subdue it. Rule over the fish in the sea and the birds in the sky and over every living creature that moves on the ground." (Genesis 1:28)*

Prayer Direction: Spend time reflecting on and giving thanks for the gift of creation. Consider and give thanks for the way that God created humans to think, relate, create and live in this world. Specifically give thanks for members of your family, friends and coworkers by name. Also, spend time in confession, recognizing ways you may not be living out the intentions God has for your life or obeying his commands.

"Live It!" Challenge: Live Gratefully – Make a commitment to recognize and record at least one aspect of nature and one characteristic or action of a friend for which you are grateful this week. Commit to offering prayers of gratitude for these things and directing a word of blessing towards your friend.
